**ISSUE/RECOMMENDATION:**

Wastewater Treatment Plant staff is currently using an Ion Sensing Electrode (ISE) for determining ammonia readings in the wastewater effluent. ISE equipment is difficult to maintain and calibrate. Staff recommends replacing the ISE with a DR3900 spectrophotometer system which uses light wave frequency and is much more user friendly and reliable. The DR3900 tests for many additional constituents besides ammonia, including phosphorous, nitrates, nitrites, and Chemical Oxygen Demand (COD), and the manufacturer includes step-by-step instructions and online videos for assisting in training.

Three bid proposals were received for the spectrophotometer system and HACH Company had the lowest and best bid. Staff recommends approval to purchase a DR3900 Spectrophotometer, Micro Distillation Kit, and related supplies from the HACH Company in the amount of \$11,199.81 (including \$189.40 for shipping). This purchase was included and approved in the FY2020 budget.

**A RESOLUTION APPROVING TASK AGREEMENT NO. 2020-1 WITH FTC EQUIPMENT, LLC TO REPLACE SERVICE PUMP #2 AND PURCHASE AN ADDITIONAL BACKUP PUMP FOR THE WASTEWATER TREATMENT PLANT IN THE AMOUNT OF \$22,607.36.**

**WHEREAS**, there are currently two pumps that supply non-potable water to the Wastewater Treatment Plant (WWTP) for washdowns and solids processing. These pumps are essential to the daily operations at the WWTP. Earlier in 2019, Service Pumps #1 and #2 began having issues and Service Pump #1 was replaced as approved by City Council per Resolution R2019-19; and

**WHEREAS**, Service Pump # 2 at the WWTP is out of service. Service Pump # 2 was installed in 2012 and runs about 4,400 hours per year. Although this pump was installed in 2012, it has seen a dramatic rise in runtime since the completion of the latest plant upgrades in 2017. The estimated repair cost is \$11,570.00 to \$13,462.62. After evaluating the pump and repair costs, Staff recommends that this pump be replaced instead of repaired.

Bids were requested from the City's On-Call Pump Repair and Service contractors. Each contractor submitted a pump with the same specifications. Bids ranged from \$16,000 to \$30,674 with FTC Equipment, LLC (FTC) submitting the lowest and best bid of \$16,000. FTC also provided a discounted cost of \$22,607.36 for the City to purchase two pumps so that one could be used as a backup. Based on the cost savings, Staff recommends approving the purchase of two pumps from FTC to replace Service Pump #2 and provide a backup; and

**WHEREAS**, the City Council believes approving Task Agreement No. 2020-1 with FTC Equipment, LLC in the amount of \$22,607.36 to replace Service Pump #2 and purchase an additional backup pump for the WWTP is beneficial to the citizens of Belton and the wastewater treatment system.

**NOW THEREFORE, BE IT RESOLVED BY THE CITY COUNCIL OF THE CITY OF BELTON, MISSOURI, AS FOLLOWS:**

**SECTION 1.** That Task Agreement No. 2020-1 with FTC Equipment, LLC for replacement of Service Pump #2 and purchase of a backup pump for the Wastewater Treatment Plant, herein attached and incorporated to this Resolution as **Exhibit A**, is approved.

**SECTION 2.** The City Manager and Director of Public Works are authorized and directed to execute the Task Agreement on behalf of the City.

**SECTION 3.** This resolution shall take effect and be in full force from and after its passage and approval by the City of Belton.

Duly read and passed this \_\_\_\_\_ day of \_\_\_\_\_, 2019.

Earlier in 2019, Service Pumps #1 and #2 began having issues and Service Pump #1 was replaced as approved by City Council per Resolution R2019-19.

Service Pump # 2 at the WWTP is now out of service and requires replacement. Service Pump # 2 was installed in 2012 and runs about 4,400 hours per year. Although this pump was installed in 2012, it has seen a dramatic rise in runtime since the completion of the latest plant upgrades in 2017. The estimated repair cost is \$11,570.00 to \$13,462.62. After evaluating the pump and repair costs, Staff recommends that this pump be replaced instead of repaired.

Bids were requested from the City's On-Call Pump Repair and Service contractors. Each contractor submitted a pump with the same specifications. Bids ranged from \$16,000 to \$30,674 with FTC Equipment, LLC (FTC) submitting the lowest and best bid of \$16,000. FTC also provided a discounted cost of \$22,607.36 for the City to purchase two pumps so that one could be used as a backup. Based on the cost savings, Staff recommends approving the purchase of two pumps from FTC to replace Service Pump #2 and provide a backup.

### **3. MAINTENANCE AND SUPPORT SERVICES.**

3.1. Maintenance and Support: SLA. Subject to the other provisions of this Article 3 and Customer's payment of all applicable Fees, during the Term:

- (a) OpenCities will provide the remedies listed in the SLA for any failure of the SaaS or the SaaS Documentation listed in the SLA. Such remedies are Customer's sole remedy for any failure of the SaaS, and Customer recognizes and agrees that if the SLA does not list a remedy for a given failure, it has no remedy. Any credits issued pursuant to the SLA for failure to meet the uptime guarantee specified in the SLA will apply to outstanding or future invoices only and are forfeited upon termination of this Agreement. OpenCities is not required to issue refunds or to make payments against such credits under any circumstances, including without limitation after termination of this Agreement.
- (b) OpenCities may revise the SLA or the features and functions of the SaaS at any time, provided no such revision materially reduces the features or functionality provided to Customer as set forth herein.
- (c) OpenCities will provide Customer with Version Updates. Customer acknowledges that Version Updates are mandatory and necessary for the proper function and security of the SaaS. Customer agrees to the implementation of all Version Updates by OpenCities. Implementation will occur during a Scheduled Maintenance Window. Any SaaS downtime or functionality issues arising during a Scheduled Maintenance Window will not be subject to the Service Level Agreement.
- (d) OpenCities grants Customer personnel unlimited access to the OpenCities Knowledge Bank to review the Documentation and Specifications. Customer acknowledges and agrees that it does not have an unlimited right to request maintenance and support services through the OpenCities Knowledge Bank; requests for maintenance and support must be made in compliance with paragraph (e) hereof.

Requests from other personnel will not be accepted. The contact details for the online and telephone help desk support services are set out in Schedule A.
- (f) Notwithstanding the provisions of paragraphs (d) and (e) above, where Customer's Website is experiencing a Severity 1 problem, any Customer personnel may contact OpenCities via the telephone help desk to report the Severity 1 problem.

3.2. Scheduled and Emergency Maintenance.

- (a) OpenCities agrees to use commercially reasonable efforts to conduct all SaaS maintenance within a Scheduled Maintenance Window. However, Customer acknowledges that an unplanned event may occur that will require the need for

OpenCities to perform maintenance on the SaaS on an emergency basis outside of a Scheduled Maintenance Window.

- (b) OpenCities will use reasonable efforts to give Customer advance notice of emergency maintenance, but it is possible that advanced notification of emergency maintenance will not occur. Any SaaS downtime or functionality issues during the Scheduled Maintenance Window or during emergency maintenance will not be subject to the Service Level Agreement.

3.3 Conditions. OpenCities provision of the maintenance and support services set forth in this Article 3 is subject to the following conditions:

3.4 Exclusions. OpenCities is under no obligation to provide the maintenance and support services specified in this Article 3 if they are requested as a result of or related to: (a) operation of the SaaS with other media and hardware, SaaS or interfaces not authorized or maintained in accordance with this Agreement or the Documentation; (b) use of the SaaS that is not in accordance with the Documentation; (c) any modification, alteration or addition or attempted modification, alteration or addition to the SaaS (unless such modifications were developed by OpenCities or authorised by OpenCities in writing); (d) failure of any data service, internet service or any other third-party service, or failure of a telecommunications connection, hardware, software, web services, or third party content, software, or equipment; or (e) any non-reproducible error or defect reported by Customer.

3.5 Abuse of Maintenance Services. In the event Customer abuses the maintenance and support services offered by OpenCities (e.g. by declaring a problem Severity Level 1 when it is only Severity Level 2, 3 or 4, unless such distinction could not reasonably have been determined, or by reporting problems which are not Severity 1 during non-business hours) an "Abuse Incident" will be noted, and OpenCities will inform Customer of such.

#### **4. FEES AND PAYMENT TERMS.**

4.1 Subscription Fees. Customer will pay OpenCities the annual subscription and other fees set forth in Schedule A (the "Fees") during the Initial Term and the applicable Fees for each Renewal Term, which Fees are based on the resident population of Customer Except as otherwise expressly provided in this Agreement, all Fees are non-cancelable and non-refundable. The Fees for the first year of the Initial Term are payable within 30 days of execution of this Agreement, and the Fees for each successive year during the Initial Term and each Renewal Term shall be

payable net 30 days from the date of OpenCities' invoice.

4.2 Fee Adjustments. Upon expiration of the Initial Term, Fees may be adjusted for each Renewal Term to take into account any increases in the Consumer Price Index for all Items as published by the US Bureau of Labor Statistics and any adjustments in the resident population of Customer's region. No later than ninety (90) days prior to the commencement of any Renewal Term, Customer agrees to provide OpenCities, upon OpenCities' request, with the then current resident population within Customer's region, and OpenCities shall revise the Fees for the ensuing Renewal Term if the population of the region has increased or decreased such that it falls within a different population band. Customer's initial population band is set out in Schedule A. OpenCities shall notify Customer of any Fees adjustments made pursuant to this Section 4.2 at least seventy (70) days prior to the commencement of the applicable Renewal Term.

4.3 Excess Usage. If Customer uses any bandwidth or storage space in excess of the 'allocated bandwidth and storage space' set forth in Schedule A, OpenCities may, in its sole discretion, require that Customer pay additional traffic and server storage charges calculated in accordance with Schedule A. Customer's and its users' use of the SaaS and access to it is Customer's responsibility. Customer is responsible for any unauthorised access to the SaaS resulting in bandwidth and/or storage usage exceeding the allocated limits and any charges resulting as a consequence.

4.4 Overdue Charges. If any invoiced amount is not received by OpenCities by the due date, then without limiting OpenCities' rights or remedies, (a) those charges may accrue late interest at the rate of 1.5% of the outstanding balance per month, or the maximum rate permitted by law, whichever is lower, and/or (b) OpenCities may condition future subscription renewals on payment terms shorter than those specified herein. Customer will be liable for all costs of collection of any undisputed, overdue amounts including, without limitation, all court costs, legal fees and other costs incurred by OpenCities.

4.5 Taxes. The Fees charged by OpenCities do not include any taxes, levies, duties or similar governmental assessments of any nature, including, value-added, sales, use or withholding taxes, assessable by any jurisdiction whatsoever (collectively, "Taxes"). Customer is responsible for paying all Taxes associated Customer's purchase of the SaaS. If OpenCities has the legal obligation to pay or collect any Taxes for which Customer is responsible under this Section 4(e), then Customer agrees that OpenCities will invoice Customer that amount unless Customer provides OpenCities with a valid tax exemption certificate authorized by the appropriate taxing authority. For clarity, OpenCities is responsible for taxes assessable against it based on its income, property and employees.

4.6 Future Functionality. Customer agrees that its purchase is not contingent on the delivery of any future functionality or features, or dependent on any oral or written public comments made by OpenCities regarding future functionality or features.

## **5. CUSTOMER DATA & SECURITY.**

5.1. Customer Rights to Data. Customer retains all right, title and interest (including any Intellectual Property Rights) in and to all data and content supplied by or on behalf of Customer in connection with the SaaS and Customer's Website, including data uploaded by users thereof (collectively, the "Customer Data"). 5.2. Responsibility for Customer Data. Customer is solely responsible for Customer Data, including the accuracy, quality, appropriateness and legality of all Customer Data and the means by which the Customer Data is acquired, and OpenCities shall have no responsibility or liability therefor. Customer represents and warrants to OpenCities that:

- (a) Customer owns or has the right to use Customer Data, and has the rights necessary to grant OpenCities the licence set forth in Section 5.1.

Notwithstanding the foregoing, OpenCities may disclose Customer Data, including, without limitation, user profile information (i.e. name, e-mail address, etc.), IP addressing and traffic information, and usage history, as required by applicable law or by proper legal or governmental authority. OpenCities will give Customer prompt notice of any such legal or governmental demand and reasonably cooperate with Customer in any effort to seek a protective order or otherwise to contest such required disclosure, at Customer's expense.

5.4. Protection of Customer Data. OpenCities will use commercially reasonable, industry standard administrative, physical and technical safeguards for the protection of the security, confidentiality and integrity of the Customer Data, including implementation of measures designed to prevent unauthorized access, use, modification, disclosure and loss of the Customer Data. OpenCities will archive Customer Data on a regular basis during the Term by performing 6 daily and 8 weekly backups for the purposes of disaster recovery. In the event of equipment failure or data corruption, OpenCities will restore from the most recent uncorrupted archive. In the event of corruption of all of OpenCities archives, or in the event that an old archive is used to restore data, Customer will have the responsibility of uploading new Customer Data to Customer's Website.

OpenCities will not be liable for incomplete, out-of-date, corrupt or otherwise deficient Customer Data recovered from OpenCities backups.

5.5. No Obligation to Monitor; Right to Remove. OpenCities may, but has no obligation to, monitor, review or edit Customer Data. In all cases, OpenCities reserves the right to remove, delete or disable access to any Customer Data that OpenCities determines, in the exercise of its sole discretion, violates this Agreement (including the Acceptable Use Policy) or is illegal, damaging, problematic, objectionable or otherwise inappropriate. OpenCities may take such action without prior notification of Customer.

5.6. Privacy Policy. The Privacy Policy applies only to the SaaS and does not apply to any third party website or service linked to the SaaS or recommended or referred to through the SaaS or by OpenCities staff.

5.7. Risk of Exposure. Customer recognizes and agrees that hosting data online involves risks of unauthorized disclosure or exposure and that, in accessing and using the SaaS, Customer assumes such risks. OpenCities offers no representation, warranty, or guarantee that Customer Data will not be exposed or disclosed through errors or the actions of third parties.

5.8. Data Deletion. OpenCities may permanently erase Customer Data if Customer's account is delinquent, suspended, or terminated for 30 days or more.

5.9. Aggregate & Anonymized Data. Notwithstanding the provisions above of this Article 5, OpenCities may use, reproduce, sell, publicize, or otherwise exploit Aggregate Data in any way, in its sole discretion. ("Aggregate Data" refers to Customer Data with the following removed: personally identifiable information and the names and addresses of Customer and any of its users.)

6.1 Acceptable Use. Customer will comply with OpenCities' AUP as in effect from time to time. Customer will not: (a) sell, resell, license, sublicense, distribute, make available, rent or lease the SaaS or use the SaaS for service bureau or time-sharing purposes or in any other way allow third parties to exploit or access the SaaS, except users accessing Customer's Website as specifically authorized by this Agreement; (b) use the SaaS to store or transmit infringing, libelous, or otherwise unlawful or tortious material, or to store or transmit material in violation of third-party privacy rights; (c) use the SaaS to store or transmit Malicious Code; (d) share non-public SaaS features or content with any third party; (e) frame or mirror any part of the SaaS other than framing on Customer's own intranets or otherwise for Customer's internal business purposes; (f) reverse engineer any portion of the SaaS, or (g) access the SaaS in order to build a competitive product or service, to build a product using similar ideas, features, functions or graphics of the SaaS, or to copy any ideas, parts, features, functions or graphics of the SaaS. Neither this Agreement nor the AUP requires that OpenCities take any action against Customer or any user or other third party for violating the AUP, this Section 6.1, or this Agreement, but OpenCities is free to take any such

action it sees fit. Any breach of the AUP or any of the provisions of this Article 6 will entitle OpenCities to elect to terminate this Agreement immediately upon written notice to Customer.

6.2 Unauthorized Access; Security. Customer will take reasonable steps to prevent unauthorized access to the SaaS and the network, including without limitation by protecting its passwords and other log-in information. Customer will notify OpenCities immediately of any known or suspected unauthorized access to or use of the SaaS or breach of its security and will use best efforts to stop said breach. Customer shall not:

- (a) interfere with or disrupt the integrity or performance of the SaaS or attempt to gain unauthorized access to the SaaS, or OpenCities' or its suppliers' related systems and networks;
- (b) commit, cause or allow any breach (or do anything which might put us in breach) of any applicable law, regulation, government direction or industry standard or code;

Customer agrees to indemnify OpenCities against any loss or damage (except where and to the extent that such loss or damage is consequential in nature) that OpenCities suffers as a result of any unauthorized access to OpenCities' SaaS or network or those of OpenCities' suppliers.

6.5 Required Third Party Services.

- (a) Customer will establish and maintain, at its own expense, all telecommunications equipment and access lines necessary to gain access to the SaaS.
- (b) In order for OpenCities to provide some of the services under this Agreement, Customer may at times, be required to give OpenCities access to or provide login information and password information for accounts or services Customer may have

with third party providers. When Customer provides OpenCities with this information or provides OpenCities with access to these third party accounts, Customer warrants that it has all the necessary contractual and legal rights to give OpenCities such access, login information and passwords.

- (c) Customer acknowledges that OpenCities will not have any responsibility or liability with regard to any third party services used by the Customer on or through the OpenCities formed web content, such as payment and e-commerce services, and any use of such third party services will be at Customer's own risk. Customer further acknowledges that the technical ability to link to such services (such as the possibility of a 'PayPal' button), is provided only as part of the SaaS but will not be deemed to create any liability or responsibility on behalf of OpenCities.
- (d) Where any third party SaaS integration is found to cause performance, stability or security issues, OpenCities reserves the right to disable or remove that third party SaaS in order to restore our SaaS to acceptable levels.

6.6 Customer Representative. Customer will appoint a designated representative who will be authorized to act as the primary point of contact for Customer in dealing with OpenCities with respect to each party's obligations under this Agreement and on a timely basis.

## **7 OPENCITIES IP & FEEDBACK.**

7.1 IP Rights in the SaaS. OpenCities retains all right, title, and interest in and to the SaaS, including without limitation all software used to provide the SaaS and all graphics, user interfaces, logos, and trademarks reproduced through the SaaS. Customer recognizes that the SaaS and its components and the Documentation are protected by copyright and other laws.

7.2 Feedback. OpenCities has not agreed to and does not agree to treat as confidential any Feedback (as defined below) that Customer or other users provide to OpenCities, and nothing in this Agreement or in the parties' dealings arising out of or related to this Agreement will restrict OpenCities's right to use, profit from, disclose, publish, keep secret, or otherwise exploit Feedback, without compensating or crediting Customer or the user in question. Each of OpenCities and Customer agrees that it: (a) will not disclose Confidential Information to any of its employees or contractors unless such persons need access in order to facilitate the Purpose and, in the case of a contractor, such contractor executes a nondisclosure agreement with the appropriate party with terms no less restrictive than those of this Article 8; and (b) will not disclose Confidential Information to any other third party without the disclosing party's prior written consent. Without limiting the generality of the foregoing, each party will protect Confidential Information with the same degree of care it uses to protect its own confidential information of similar nature and importance, but with no less than reasonable care. Notwithstanding the foregoing, each party may disclose Confidential Information as required by applicable law or by proper legal or governmental authority, provided such party gives the other party prompt notice of any such legal or governmental demand and reasonably cooperates with the other party in any effort to seek a protective order or otherwise to contest such required disclosure, at the other party's expense.

8.3 Injunction. The parties agree that breach of this Article 8 would cause the disclosing party irreparable injury, for which monetary damages would not provide adequate compensation, and that in addition to any other remedy, and that the disclosing party will be entitled to injunctive relief against such breach or threatened breach, without proving actual damage or posting a bond or other security.

8.4 Termination & Return. Upon termination of this Agreement, each party will return all copies of the other party's Confidential Information to the other party or certify, in writing, the destruction thereof.

8.5 Retention of Rights. This Agreement does not transfer ownership of Confidential Information or grant a license thereto. Each party will retain all right, title, and interest in and to all of its Confidential Information.

8.6 Exception & Immunity. Pursuant to the Defend Trade Secrets Act of 2016, 18 USC Section 1833(b) (the "DTSA"), each party is on notice and acknowledges that, notwithstanding the foregoing or any other provision of this Agreement:

- (a) An individual shall not be held criminally or civilly liable under any Federal or State trade secret law for the disclosure of a trade secret that- (A) is made- (i) in confidence to a Federal, State, or local government official, either directly or indirectly, or to an

OPENCITIES DISCLAIMS ALL LIABILITY AND INDEMNIFICATION OBLIGATIONS FOR ANY HARM OR DAMAGES CAUSED BY ANY THIRD-PARTY HOSTING PROVIDERS.

## 10 INDEMNIFICATION.

10.1 Indemnification of Customer. Subject to the other provisions of this Section 10.1, OpenCities will defend Customer and Customer's Associates (as defined below in Section 10.2) against any third party claim, suit, or proceeding alleging that the SaaS or the permitted use thereof infringes any U.S. trademark, patent, copyright, or trade secret right of a third party (an collectively, "Customer Indemnified Claims") and will indemnify Customer and Customer's Associates from any damages, attorney's fees and costs finally awarded against Customer and Customer's Associates as a result of, or for amounts paid by Customer and Customer's Associates in a settlement approved by OpenCities in writing of, a Customer Indemnified Claim.

- (a) If in OpenCities reasonable judgment any Customer Indemnified Claim, or threat of any such Claim, materially interferes with Customer's use of the SaaS, OpenCities will, after consultation with Customer, at OpenCities' option and in its sole discretion, either (i) substitute functionally equivalent non-infringing SaaS or SaaS Documentation; (ii) modify the SaaS to make it non-infringing, (iii) obtain for the Council at OpenCities expense the right to continue using the infringing SaaS; or, (iv) if iOpenCities' determines that it cannot achieve any of the foregoing on a reasonable commercial basis, it may, by written notice, require Customer to cease using the SaaS, in which case OpenCities shall refund Customer a pro-rata portion of the Fees (as set out in Schedule A) for the SaaS for such period of time for which Customer was unable to use the SaaS.
- (b) OpenCities' obligations set forth in this Section 10.1 do not apply to the extent that an Indemnified Claim arises out of: (a) Customer's breach of this Agreement; (b) revisions or modifications to the SaaS or any components thereof made by a party other than OpenCities if such infringement would not have occurred but for such revisions or modifications; (c) Customer's failure to incorporate or use any Version Updates, or any other updates or upgrades that would have avoided the alleged infringement, provided OpenCities offered such other updates or upgrades were provided to Customer without charge; (d) inclusion of the Customer Data; (e) the use of the SaaS other than for its intended purposes or contrary to OpenCities' Specifications; or (f) combination, operation or use of the SaaS with equipment, programs, hardware or software not provided by OpenCities if in OpenCities reasonable judgment such infringement is caused thereby.
- (c) The provisions of this Section 10.1 state OpenCities entire liability and Customer's sole and exclusive remedy in the event of any Customer Indemnified Infringement Claims.

10.2 Litigation & Additional Terms. The obligations of the indemnifying party (“Indemnitor”) pursuant to Section 10.1 above will be excused to the extent that the indemnified parties (the “Indemnified Parties”) or any Indemnified Party’s Associates fails to provide prompt written notice to the Indemnitor of the applicable Indemnified Claim or to reasonably cooperate with the Indemnitor if such failure or lack of cooperation materially prejudices the defense. Indemnitor will control the defense of any Indemnified Claim, including appeals, negotiations, and any settlement or compromise thereof; provided that the Indemnified Party will have the right, not to be exercised unreasonably, to reject any settlement or compromise that requires that it admit wrongdoing or liability or subjects it to any ongoing affirmative obligations. (A party’s “Associates” are its officers, directors, shareholders, parents, subsidiaries, agents, successors, and assigns.)

## 11 LIMITATION OF LIABILITY.

11.1 LIMITATION OF LIABILITY. THE TOTAL LIABILITY OF OPENCITIES’ AND ITS AFFILIATES ARISING OUT OF OR RELATED TO THIS AGREEMENT WILL NOT EXCEED THE ACTUAL FEES RECEIVED BY OPENCITIES UNDER THIS AGREEMENT FOR THE PORTION OF THE SAAS OR SERVICES GIVING RISE TO SUCH CLAIM DURING THE PRECEDING TWELVE-MONTH PERIOD.

11.2 Exclusion of Consequential Damages. IN NO EVENT WILL OPENCITIES OR ITS AFFILIATES BE LIABLE TO CUSTOMER FOR ANY CONSEQUENTIAL, INDIRECT, SPECIAL, INCIDENTAL, OR PUNITIVE DAMAGES, INCLUDING ANY DAMAGES FOR LOSS OF REVENUES OR GOODWILL, BUSINESS INTERRUPTION, LOSS OR INACCURACY OF DATA, COST OF PROCUREMENT OF SUBSTITUTE GOODS, SERVICES OR TECHNOLOGY, OR LOST PROFITS, ARISING OUT OF OR RELATED TO THIS AGREEMENT.

11.3 Clarifications & Disclaimers. THE LIABILITIES LIMITED BY THIS ARTICLE 11 APPLY (a) REGARDLESS OF THE FORM OF ACTION, WHETHER IN CONTRACT, TORT, STRICT PRODUCT LIABILITY, OR OTHERWISE, (b) EVEN IF OPENCITIES IS ADVISED IN ADVANCE OF THE POSSIBILITY OF THE DAMAGES IN QUESTION AND EVEN IF SUCH DAMAGES WERE FORESEEABLE; AND (c) EVEN IF CUSTOMER’S REMEDIES FAIL OF THEIR ESSENTIAL PURPOSE. NOTWITHSTANDING THE FOREGOING, THE LIABILITIES LIMITED BY THIS ARTICLE 11 SHALL NOT INCLUDE LIABILITY (i) UNDER THE INDEMNITY PROVIDED IN SECTION 10.1, (ii) FOR DEATH OR PERSONAL INJURY RESULTING FROM NEGLIGENCE, (iii) FOR DAMAGE TO TANGIBLE PERSONAL PROPERTY, OR (iv) FOR FRAUD OR WILLFUL MISCONDUCT. If applicable law limits the application of the provisions of this Article 11, OpenCities’ liability will be limited to the maximum extent permissible. For the avoidance of doubt, OpenCities’ liability limits and other rights set forth in this Article 11 apply likewise to OpenCities’ affiliates, licensors, suppliers, advertisers, agents, sponsors, directors, officers, employees, consultants, and other representatives.

## 12 TERM & TERMINATION.

12.1 Term. The initial term of this Agreement (the “Initial Term”) will commence on the Effective Date and continue for the period set forth in Schedule A. Thereafter, the Agreement will automatically renew for successive one-year periods (each such period, a “Renewal Term”), unless either party notifies the other party in writing of its decision not to renew the Agreement at least

60 or more days before the applicable renewal date. The Initial Term and all Renewal Terms are herein referred to as the “Term”.

12.2 Termination for Cause. Either party may terminate this Agreement for the other’s material breach by written notice, effective in 30 days unless the other party first cures such breach, or immediately upon written notice if the other party becomes subject to any insolvency, bankruptcy or similar proceeding, whether voluntary or involuntary. Without limiting OpenCities’ other rights and remedies, OpenCities may suspend or terminate any user’s access to the SaaS at any time, without advanced notice, if OpenCities reasonably concludes such user has conducted itself in a way that is not consistent with the requirements of the AUP or the other requirements of this Agreement or in a way that subjects OpenCities to potential liability.

12.3 Effects of Termination. Upon termination of this Agreement, Customer will cease all use of the SaaS and delete, destroy, or return all copies of the Documentation in its possession or control, and Customer will have the right to access the SaaS for 30 days following termination of this Agreement to download Customer Data. If requested by Customer in writing, at the Customer’s expense on a time-and-materials basis, OpenCities will provide Customer an export of the Customer Data in an industry standard format. Upon the expiration of this thirty-day period following termination of this Agreement, all Customer Data in the SaaS will no longer be available on OpenCities SaaS, as OpenCities will delete all such Customer Data (including all data supplied by third parties) from its SaaS, and will destroy all such Data, unless otherwise agreed by the parties in writing.

12.4 The following provisions will survive termination or expiration of this Agreement: (a) any obligation of Customer to pay Fees incurred before termination; (b) Sections 2.4 and 6.4, and Articles 7, 8, 9, 10, 11 and 12; and (c) any other provision of this Agreement that must survive to fulfill its essential purpose.

### 13 MISCELLANEOUS.

13.1 Independent Contractors. The parties are independent contractors and will so represent themselves in all regards. Neither party is the agent of the other, and neither may make commitments on the other’s behalf. The parties agree that no OpenCities employee or contractor is or will be considered an employee of Customer.

13.2 Notices. OpenCities may send notices pursuant to this Agreement to Customer’s email address provided by Customer, and such notices will be deemed received 24 hours after they are sent. Customer may send notices pursuant to this Agreement to the person identified in Schedule A at the email address provided for such person, and such notices will be deemed received 72 hours after they are sent.

13.3 Force Majeure. No delay, failure, or default, other than a failure to pay fees when due, will constitute a breach of this Agreement to the extent caused by acts of war, terrorism, hurricanes, earthquakes, other acts of God or of nature, strikes or other labor disputes, riots or other acts of civil disorder, embargoes, or other causes beyond the performing party’s reasonable control.

13.4 Assignment & Successors. Customer may not assign this Agreement or any of its rights or obligations hereunder without OpenCities’ express written consent. Except to the extent forbidden

in this Section 13.4, this Agreement will be binding upon and inure to the benefit of the parties' respective successors and assigns.

13.5 Severability. To the extent permitted by applicable law, the parties hereby waive any provision of law that would render any clause of this Agreement invalid or otherwise unenforceable in any respect. In the event that a provision of this Agreement is held to be invalid or otherwise unenforceable, such provision will be interpreted to fulfill its intended purpose to the maximum extent permitted by applicable law, and the remaining provisions of this Agreement will continue in full force and effect.

13.6 No Waiver. Neither party will be deemed to have waived any of its rights under this Agreement by lapse of time or by any statement or representation other than by an authorized representative in an explicit written waiver. No waiver of a breach of this Agreement will constitute a waiver of any other breach of this Agreement.

13.7 Choice of Law. This Agreement will be governed solely by the internal laws of the State of California, including without limitation applicable federal law, without reference to: (a) any conflicts of law principle that would apply the substantive laws of another jurisdiction to the parties' rights or duties; (b) the 1980 United Nations Convention on Contracts for the International Sale of Goods; or (c) other international laws. The parties consent to the personal and exclusive jurisdiction of the federal and state courts of San Francisco, California. This Section 13.7 governs all claims arising out of or related to this Agreement, including without limitation tort claims.

13.8 Dispute Resolution. If at any time a dispute arises out of or in connection with this Agreement, the parties will have their respective designated representatives meet in good faith with a view to resolving the dispute within a period of 15 Business Days from the issue of a written notice of dispute by one party to the other party. Should the parties not be able to resolve the dispute within the 15 Business Days, then both parties will refer the matter to their own appropriate level of senior executive management respectively for resolution. If the relevant senior executive management are unable to resolve the dispute within a further 10 Business Days, then the parties agree that the dispute must then be referred to mediation. The parties will agree on a suitable person to act as mediator having industry knowledge and expertise to facilitate resolution. Failing agreement on such appointment, either party may apply to JAMS to appoint a mediator. The dispute for mediation must be heard within 20 Business Days of a mediator being appointed. Nothing in this clause is intended to preclude a party from seeking equitable or injunctive relief. Neither party shall have the right to initiate litigation until 30 Business Days after the second mediation conference held by the parties, unless the other party has materially breached its obligation to mediate.

13.9 Conflicts. In the event of any conflict among the attachments to this Agreement, the documents incorporated herein be reference and the main body of this Agreement, the following order of precedence will govern, with lower numbers governing over higher ones: (1) any OpenCities policy posted online, including without limitation the AUP or Privacy Policy, (2) the main body of this Agreement; and and (3) any other attachment or document.

13.12 Entire Agreement. This Agreement sets forth the entire agreement of the parties and supersedes all prior or contemporaneous writings, negotiations, and discussions with respect to its subject matter. Neither party has relied upon any such prior or contemporaneous communications.

13.13 Execution in Counterparts. This Agreement may be executed in one or more counterparts. Each counterpart will be an original, but all such counterparts will constitute a single instrument.

## MEMO

To Mayor Davis and Belton City Council  
From Andrea Cunningham, City Clerk and Custodian of Records  
Re Request for Records Fee Waiver  
Date May 14, 2019

### Background

On April 29, 2019, the City received a Request for Records from Michael Larkey on behalf of the Belton Post Office. He requested plot plans for Emerson Park Addition, specifically engineered plans that indicate elevation lines. Upon receiving information from the Belton Engineering Department, I wrote a letter to Mr. Larkey on May 1, 2019, stating the cost for his requested documents was \$72.18.

On May 3, 2019, Mr. Larkey sent Mayor Davis a letter asking for the \$72.18 fee to be waived. On May 7, 2019, I emailed Mr. Larkey stating the Missouri Open Meetings and Records Act ("Sunshine Law") allows for fees to be waived, but only under precise guidelines. Staff did not believe his request fit within those guidelines. On May 8, 2019, Mr. Larkey sent me an email stating why he believed his request did meet the guidelines and asked that I reconsider the waiver denial.

On May 9, 2019, I emailed Mr. Larkey that I did not have the authority to waive the fee; only the City Council has that authority under Section 610.026.1, RSMo. I informed him I would bring his request before City Council tonight for consideration. (see attached documentation)

### State Statutes

Section 610.026.1, RSMo allows governmental bodies to charge a fee for copying public records as well as a fee for duplicating time, not to exceed the average hourly rate of pay for clerical staff of the public governmental body.

Further, the same statute allows the documents to be furnished without charge or at a reduced charge when the public governmental body (e.g., the City Council) determines that waiver or reduction of the fee is (1) in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the public governmental body and (2) is not primarily in the commercial interest of the requestor.

### Staff Recommendation

It is not the practice of the City of Belton to waive record request fees. It takes considerable staff time away from regular duties to fulfill requests. The state allows for compensation by asking the requestor to pay the hourly staff rate of pay.

The City staff and City attorney do not believe this record request meets the criteria outlined in Section 610.026.1, RSMo (discussed above) as an allowable reason for waiving the fee. It does not contribute significantly to public understanding of the operations or activities of the City. It is also in the primary interest of the requestor. Therefore, staff recommends the City Council respectfully deny this request for waiver.

City Council Action

The City Council has three options

1. Approve the request for a fee waiver.
2. Approve a reduced charge for this request.
3. Deny the request for a fee waiver.

The City Council's decision will be a motion, second, and voice vote on one of these three options.

This is a request for records under the Missouri Sunshine Law, Chapter 610, Revised Statutes of Missouri

May 3, 2019

Mr. Mayor I recently made a sunshine request in which I requested as a representative of the National Association of Letter Carriers (NALC). The sunshine request was to get information to verify the location of an agreed boundary line established in a Triparty agreement from 1995 between the NALC, NRALC and the US Postal Service.

The grievance procedure is out lined in Article 15 of the National Agreement between the NALC and the US Postal Service, therefore this is official Postal Service business. Do to the nature of this request coming from one government organization to another, I am requesting a waiver of the \$72.18 fee requested in the response letter (copy enclosed), dated May 1, 2019, to my sunshine request.

If you have any questions, please call me at 816-898-8465.

Best Regards,

  
Michael W Larkey

Thank you for your email. According to state statute, only the public governmental body has the authority to waive a records request fee. In this case, that is the City Council.  
I will put this item on the 5/14 council agenda. I will include your correspondence and reasoning for waiver. I will let you know on 5/15 what their decision is.

Thank you for your speedy response.

The PO currently has two different Carriers delivering opposite sides of the same street. We are, at this time, trying to determine where the boundaries are between the Rural Carriers and the City Carriers.

My request for the information will be used to determine those boundaries.

This determination will allow for more efficient operations of the local PO. The efficient operations of any government organization is of significant interest to the public, therefore, I contend my request meets the criteria outlined in your response to warrant a waiver of your request fee.

Best regards  
Mike Larkey

Thank you for your letter requesting a waiver of the fees for your Sunshine request regarding Emerson Park addition plot plans. The Mayor received it and passed it along to me.

The Missouri Sunshine Law allows a waiver to be made by the public governmental body when the documents requested are in the public interest because it is likely to contribute significantly to public understanding of the operations or activities of the public governmental body and is not primarily in the commercial interest of the requester. It does not appear this request meets the criteria.

We have the documents you requested ready for pick up at city hall. Due to the size of the documents, I am unable to email them and there would be an additional cost if I printed them off. I can supply them on a cd at no additional cost..
